

AETNA
PROPERTIES, INC.

Property Management Services

More than 30 years of Full Service property management, specializing in executive homes, multi-family residences and condos.

Every property management group offers tenant placement, rent collection and disbursement, and maintenance and repairs.

AETNA PROPERTIES provides more service:

Immediate response to tenant calls

Excellent tenants and low turnover

Quality, cost effective maintenance and repairs

Maximum return on your investment

We give you and your tenants the personal attention you deserve. We appreciate the substantial investment you have made in your valuable property, and its importance to you. And we honor the importance of each tenant's home.

You want good people living in and caring for your property. We identify solid prospective tenants and carefully screen their qualifications before making a selection.

You want your tenants to enjoy their home. We excel at tenant satisfaction by providing prompt, friendly service and positive ongoing relations. We're proud of our record of low turnovers and long-term tenants.

You want the paperwork and bookkeeping done professionally. We take extra care to execute and administer all necessary contracts and to disburse proceeds exactly as directed. We provide itemized monthly statements and customized account services.

You want top quality maintenance and repairs to keep your investment sound and producing the maximum return. We contract exactly what is needed, with your approval, when it is needed and at the best competitive prices for excellent work.

Let Aetna Properties put our property management experience to work for you.

Please see our Property Management Client Services list of the services you will enjoy as our client.
